

CIOs of Indian enterprises have formed CIO KLUB registered under the Indian Societies Act as CIO Association. It is a non-profit and largest Association of Chief Information Officers in India. The CIO KLUB is governed by a Governing Body and a National Executive Council, and each chapter has a managing committee to drive the CIO KLUB objective nationally.

From a humble beginning in Mumbai in April 2008 with 30 members, the CIO Klub has now over 1600 members across India. The key objectives of the Klub are to Share Experience, Enhance Knowledge, and Explore Business Solutions by leveraging the collective wisdom of large number of CIOs and IT Leaders who are registered members of the Klub. They are senior level technology executives in the country.

CIO Klub launched its 12th Chapter in Nagpur on 9th July 2022 at Tathastu Resorts, Pench.

The Launch was done by the Governing Body of CIO Klub, Umesh Mehta - President, Girish Kulkarni - Jt. Secretary, Sudhir Kanwinde - Jt.
